## 2 INSTRUCTIONS TO APPLICANTS

### 2.1 Introduction

2.2 **Haryana Shehri Vikas Pradhikaran** (“HSVP” or the “State Authority”) is a planning/developing authority for the state of Haryana and works under the Urban Development department of the state of Haryana.

2.2.1 The Authority has decided for **Preparation of Vision & Conceptual Master Plan, Detailed Layout Plan, Urban Design Guidelines, Integrated Infrastructure Plan, Preliminary Engineering Design for commercial Sector 29, Gurugram, Haryana** as outlined in Section 4 below. In pursuance of the above, the Authority has decided to carry out the process for selection of a Consultant and hence, issues this RFP.

### 2.2.2 Request for Proposals

The Authority invites proposals (the “Proposals”) from interested firms (the “Applicants”). The Authority intends to select the aforementioned firm through an open competitive bidding process in accordance with the procedure set out herein. The appointment of the Master planner shall be made via Quality and Cost Based Selection (QCBS) method.

### 2.2.3 Due diligence by Applicants

Applicants are encouraged to inform themselves fully about the assignment and the local conditions before submitting the Proposal, sending written queries to the Authority, and attending a Pre-bid Conference within the specified date and time.

## 2.3 Brief description of Selection Process

2.3.1 Detailed description of the objectives, scope of work, deliverables and other requirements relating to this Consultancy are specified in this RFP. The Authority has adopted a single stage, two envelope selection process (collectively the “Selection Process”) for evaluating the Proposals comprising Technical and Financial Proposals along with details of experience/capacity.

2.3.2 Technical and Financial Proposals of only those Applicants shall be evaluated which meet the minimum Conditions of Eligibility as per Clause 10.

2.3.3 Technical Evaluation will be carried out as specified in Clause 11.1. Thereafter, financial evaluation will be carried out as specified in Clause 11.2. Proposals will finally be ranked according to their combined technical and financial scores as specified in Clause 11.3. The first ranked Applicant (the “Selected Applicant”) shall be called for negotiation, if necessary, while the second ranked Applicant will be kept in reserve.

## **2.4 Scope of Proposal**

- 2.4.1 Detailed description of the objectives, scope of work, deliverables and other requirements relating to this project are specified in this RFP.
- 2.4.2 Note that Consortium/JV is not permitted for the Project. International firms with extensive experience in designing of Central business districts are welcome to participate in the RFP.
- 2.4.3 The way the Proposal is required to be submitted, evaluated and accepted is explained in this RFP. The Applicants are advised that the selection shall be based on an evaluation by the Authority through the Selection Process specified in this RFP. Applicants shall be deemed to have understood and agreed that no explanation or justification for any aspect of the Selection Process shall be given and that the Authority's decisions are without any right of appeal whatsoever.
- 2.4.4 The Applicant shall submit its Proposal in the form and manner specified in this Section of the RFP. The Technical proposal shall be submitted in the form prescribed and the Financial Proposal shall also be submitted in the form prescribed.
- 2.4.5 **Key Personnel**  
RFP requires applicants to detail their key personnel (the “**Key Personnel**” or “**Team**”) who shall discharge their respective responsibilities as specified in the RFP.

## **2.5 Conditions of Eligibility of Applicants**

Applicants must carefully read the minimum condition of eligibility (the “**Conditions of Eligibility**”) provided in the RFP. Proposals of only those Applicants who satisfy the Conditions of Eligibility shall be considered for evaluation.

## **2.6 Cost of Proposal**

The Applicants shall be responsible for all the costs associated with the preparation of their Proposals and their participation in the Selection Process including subsequent negotiation, visits to the Authority etc. The Authority shall not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the Selection Process.

## **2.7 Visits and verification of information**

Applicants are encouraged to submit their respective Proposals after ascertaining for themselves the availability of documents and other data with the Authority, Applicable Laws and regulations or any other matter considered relevant by them.

## **2.8 Acknowledgement by Applicant**

- 2.8.1 It shall be deemed that by submitting the Proposal, the Applicant has:
- a. made a complete and careful examination of the RFP;
  - b. accepted the risk of inadequacy, error or mistake in the information provided in the RFP or furnished by or on behalf of the Authority or relating to any of the matters referred to in Clause 2.5 above;
  - c. satisfied itself about all matters, things and information, including matters referred to in Clause 2.5 hereinabove, necessary and required for submitting an informed Application and performance of all of its obligations there under;
  - d. acknowledged that it does not have a Conflict of Interest; and
  - e. agreed to be bound by the undertaking provided by it under and in terms hereof.
- 2.8.2 The Authority shall not be liable for any omission, mistake or error in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to RFP or the Selection Process, including any error or mistake therein or in any information or data given by the Authority.

## **2.9 Right to reject any or all Proposals**

- 2.9.1 Notwithstanding anything contained in this RFP, the Authority reserves the right to accept or reject any Proposal and to annul the Selection Process and reject all Proposals, at any time without any liability or any obligation for such acceptance, rejection or annulment, and without assigning any reasons therefore.
- 2.9.2 Without prejudice to the generality of Clause 2.7.1, Authority reserves the right to reject any Proposal if:
- a. at any time, a material misrepresentation is made or discovered, or
  - b. the Applicant does not provide, within the time specified by the Authority, the supplemental information sought by the Authority for evaluation of the Proposal.
- 2.9.3 Misrepresentation/ improper response by the Applicant may lead to the disqualification of the Applicant. If such disqualification / rejection occurs after the Proposals have been opened and the highest-ranking Applicant gets disqualified/rejected, then the Authority reserves the right to consider the next best Applicant or take any other measure as may be deemed fit in the sole discretion of the Authority, including annulment of the Selection Process.

- 2.20.6 Final selection of Master planners shall be complete post completion of both Technical and Financial Evaluation.
- 2.20.7 Applicants are advised that Selection shall be entirely at the discretion of the Authority. Applicants shall be deemed to have understood and agreed that the Authority shall not be required to provide any explanation or justification in respect of any aspect of the Selection Process or Selection.
- 2.20.8 Any information contained in the Proposal shall not in any way be construed as binding on the Authority, its agents, successors or assigns, but shall be binding against the Applicant if the Consultancy is subsequently awarded to it.

## **2.21 Clarifications**

- 2.21.1 To facilitate the evaluation of Proposals, the Authority may, at its sole discretion, seek clarifications from any Applicant regarding its Proposal. Such clarification(s) shall be provided within the time specified by the Authority for this purpose. Any request for clarification(s) and all clarification(s) in response thereto shall be in writing.
- 2.21.2 If an Applicant does not provide clarifications sought under Clause 2.19.1 above within the specified time, its Proposal shall be liable to be rejected. In case the Proposal is not rejected, the Authority may proceed to evaluate the Proposal by construing the particulars requiring clarification to the best of its understanding, and the Applicant shall be barred from subsequently questioning such interpretation of the Authority.

## **2.22 Negotiations**

- 2.22.1 The Selected Applicant may, if necessary, be invited for negotiations. The negotiations shall not be for reducing the price of the Proposal but shall be for re-confirming the obligations of the Master planner under this RFP. Issues such as deployment of Key Personnel, understanding of the RFP, methodology and quality of the work plans shall be discussed during negotiations.
- 2.22.2 The Authority shall examine the CVs of all other Key Personnel and those not found suitable shall be replaced by the Applicant to the satisfaction of the Authority.

## **2.23 Award of Consultancy**

After selection, a Letter of Award (the “LOA”) shall be issued, in duplicate, by the Authority to the Selected Applicant, and the Selected Applicant shall, within 14 (fourteen) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgment thereof. In the event the duplicate copy of the LOA duly signed by the Selected Applicant is not received by the stipulated date, the Authority may, unless it consents to extension of time for submission thereof, cancel the LOA and the next highest-ranking Applicant may be considered at the sole discretion of the Authority.

## **2.24 Commencement of Assignment**

The selected applicant shall commence the Consultancy within fifteen days of the date issue of LoA, or such other date as may be mutually agreed. If the selected applicant fails to commence the assignment as specified herein, the Authority may invite the second ranked Applicant for negotiations. In such an event, the LOA may be automatically terminated.

## **2.25 Fraud and Corrupt Practices**

2.25.1 The Applicants and their respective officers, employees, agents and advisors shall observe the highest standard of ethics during the Selection Process. Notwithstanding anything to the contrary contained in this RFP, the Authority shall reject a Proposal without being liable in any manner whatsoever to the Applicant, if it determines that the Applicant has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice (collectively the “Prohibited Practices”) in the Selection Process. In such an event, the Authority shall, without prejudice to its any other rights or remedies, forfeit and appropriate the Performance Security, if available, as mutually agreed genuine pre-estimated compensation and damages payable to the Authority for, inter alia, time, cost and effort of the Authority, in regard to the RFP, including consideration and evaluation of such Applicant’s Proposal.

2.25.2 Without prejudice to the rights of the Authority under Clause 2.25.1 hereinabove and the rights and remedies which the Authority may have under the LOA, if an Applicant is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Selection Process, or after the issue of the LOA, such Applicant shall not be eligible to participate in any tender or RFP issued by the Authority during a period of 2 (two) years from the date such Applicant is found by the Authority to have directly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.

2.25.3 For the purposes of this Clause, the terms shall have the meaning assigned to them:

- a. “corrupt practice” means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of any person connected with

the Selection Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the Authority who is or has been associated in any manner, directly or indirectly with the Selection Process or the LOA or arising therefrom, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Authority, shall be deemed to constitute influencing the actions of a person connected with the Selection Process; or (ii) save as provided herein, engaging in any manner whatsoever, whether during the Selection Process or after the issue of the LOA, as the case may be, any person in respect of any matter relating to the Project or the LOA, who at any time has been or is a legal, financial or technical Master planner of the Authority in relation to any matter concerning the Project;

- b. "fraudulent practice" means a misrepresentation or omission of facts or disclosure of incomplete facts, in order to influence the Selection Process.
- c. "coercive practice" means impairing or harming or threatening to impair or harm, directly or indirectly, any persons or property to influence any person's participation or action in the Selection Process.
- d. "undesirable practice" means (i) establishing contact with any person connected with or employed or engaged by the Authority with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Selection Process; or (ii) having a Conflict of Interest; and
- e. "restrictive practice" means forming a cartel or arriving at any understanding or arrangement among Applicants with the objective of restricting or manipulating a full and fair competition in the Selection Process.

## **2.26 Conflict of Interest**

2.26.1 The Consultant shall not have a Conflict of Interest and any breach hereof shall constitute a breach of the LoA.

### **2.26.2 Prohibition of conflicting activities**

Neither the Consultant nor the Key Personnel shall engage, either directly or indirectly, in any of the following activities:

- (a) during the term of this Project, any business or professional activities which would conflict with the activities assigned to them under this Project; or
- (b) at any time, such other activities as have been specified in the RFP as Conflict of Interest.

### **2.26.3 Consultant not to benefit from commissions, discounts, etc.**

The payment to the Consultant shall constitute the Consultant's entire payment in connection with this LoA or the Services and the Consultant shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this LoA or to the Services or in the discharge of its obligations hereunder, and the Consultant shall use its best efforts to ensure that its personnel and agents shall not receive any such additional payment.

## **2.27 Conviction by a Court of Law**

2.27.1 The applicant should submit a Declaration as per format Form 9 regarding any conflicting activities and conviction by Court of Law.

## **2.28 Indemnity**

2.28.1 The Consultant shall, subject to the provisions of the Agreement, indemnify the Authority, for an amount not exceeding 1 (one) time the value of the Agreement, for any direct loss or damage that is caused due to any deficiency in Services.

## **2.29 Proprietary data**

2.29.1 Subject to the provisions of this RFP, all documents and other information provided by the Authority or submitted by an Applicant to the Authority shall remain or become the property of the Authority. Applicants and the Consultant, as the case may be, are to treat all information as strictly confidential. The Authority will not return any Proposal, or any information related thereto. All information collected, analysed, processed or in whatever manner provided by the Consultant to the Authority in relation to the Consultancy shall be the property of the Authority.

## **2.30 Pre-bid Conference**

2.30.1 A pre-bid conference of the Applicants shall be convened at the designated date, time and place ("Pre-bid Conference"). The pre-bid conference may also be attended online using the video conferencing link shared by the Authority on its website / e-portal ([www.hsvphry.org.in](http://www.hsvphry.org.in)).

## 5 SCOPE OF WORK

Considering the overall intent for facilitating holistic and sustainable development, the scope of the consultancy study has been designed. The scope of work for this project as described below is divided into Activities:

- **Task 1 –Site survey and existing site assessment:**
  - Drone-based topographic survey & data collection
  - Existing development assessment
  - Existing infrastructure assessment (wet & dry).
  - Dovetailing the existing and proposed development interventions
  - Base map preparation (GIS Based)
  - Identification of and consultation with various stakeholders
  - SWOC analysis
  - Environment sensitivities and prioritizing issues and potentials
- **Task 2 –Vision, master plan, and concept integrated infrastructure plan:**
  - Establishing the Vision
  - Preparation of master plan
  - Development of concept concept-integrated future ready infrastructure plan
- **Task 3 –Detailed master plan/layout plan and identification of projects with Real estate advisory for the optimal usage of the land.**
  - Preparation of a detailed master plan/layout plan
  - Development of a detailed integrated future ready infrastructure plan
  - Urban Design Guidelines, Incorporating greenways, bike / pedestrian Paths and plans
  - Concept design for landscape
  - Identification and listing of development and trunk projects
  - Assessment of existing market segments, market perception study and demand assessment.
- **Task 4 –Preparation of preliminary engineering design of select trunk projects**
  - Preliminary engineering design for water and wastewater system
  - Preliminary engineering design for roads, junctions, and bridges including underground services
  - Preliminary engineering design for power distribution system
  - Preliminary engineering design for ICT duct network
  - Preliminary engineering design for landscape (Street side)

As part of project identification, the Consultant shall also identify the projects of strategic importance that need to be developed for the comprehensive sustainable development of the City.

### 5.1 Task 1

**Site Survey and Existing Site Assessment:** The topographic survey of the site is to be conducted through drone survey, data collection of data for existing development and existing infrastructure, dovetailing the existing and proposed development interventions, GIS-based base map preparation, identification of and consultation with various stakeholders, SWOC analysis, assessment of environment sensitivities and prioritizing issues and potentials. Mapping as needed is

RFP for Selection of Consultant

for preparation of Vision & Master Plan, Detailed Layout Plan, Urban Design Guidelines, Integrated Infrastructure Plan, and Preliminary Engineering Design for Sector 29, Gurugram, Haryana to be carried out through Drone and all requisite clearances shall be taken by successful bidding entity and will be within these stipulated timelines.

#### 5.1.1 **General Overview and Data Collection**

The consultant shall have to procure all necessary data including secondary information required at this stage. This will include but not be limited to:

- i. Topographic details of the site, collation of requisite maps and information including existing and proposed Master plans/development plans/ region, block level plans, revenue details etc.
- ii. Socio-economic characteristics of city and sub-regions, land use pattern along with land use/ownership details, infrastructure network plans from relevant Local authorities/state/central government agencies
- iii. Status of existing, on-going/proposed development, social and physical infrastructure development initiatives in the current master planned area, and other such initiatives taken with the support of State/Central Government for the City.
- iv. Details of available vacant land parcels available with the Government
- v. Details of prevailing legal and statutory framework, existing/ proposed policy initiatives at state/ central level for developing state of the art Central Business district and infrastructure project.
- vi. Any other relevant information required for the study.

#### 5.1.2 **Benchmarking and Case Studies**

Conduct research on similar examples (2 case studies for each National and International category) and highlight learnings relevant to this Project. The benchmarking study for selected cities needs to be undertaken with due consultations with the Authority and relevant stakeholders.

#### 5.1.3 **Reconnaissance Survey**

Site visits would need to be conducted to understand the nature and activities happening in the city. All the requisite permits, approvals etc. will be facilitated by the Authority in order to organise these site visits. However, the cost for the site visit, collection of data, carrying out scientific analysis etc. would be borne by the Consultant.

The key issues to be covered during site visits and initial assessment will include but are not limited to: Socio-cultural profiling, availability & existing condition of the civic, social & transport infrastructure. The environmental sensitivities & flood vulnerabilities of the critical areas within the city. The existing assets, cultural heritage assets; particularly in the core city area and current master planned area. The consultant shall also identify, visit and document all existing/ potential key sites in consultation with the stakeholders that will help in enhancing the development potential and making the sector a global business & commercial destination.

#### 5.1.4 **Stakeholder Consultations**

In order to strategize & plan for redevelopment of the target area, extensive public consultations are to be undertaken.

- i. Discussions with selected potential stakeholders (Government Organizations,

DA, MCG, MRT project, any other public transportation projects, NHAI for expressway etc., key developers, associations including any private sector (from Hospitality, business, Real estate Industry, Health and others) to assess the future growth potential of the area and identifying their concerns and expectations.

- ii. Stakeholder consultations will also be conducted to understand the flood Management and Safety and security concerns in the area and the expectations of the relevant Government authorities for possible interventions & integration within city planning & development.
- iii. Adoption of Social inclusiveness approach and citizen centric aspects, etc., based on national/ international good practices and global experiences and futuristic technology application.

#### 5.1.5 Existing Situation Analysis and Carrying Capacity Assessment

- i. Existing situation analysis with regard to:
  - a. Urban land resources (Land, Housing, Business & Commercial, Hospitality and Social Amenities)
  - b. Transport & Mobility (Regional, Inter and intra-urban accessibility)
  - c. Urban utilities (Water Supply, Sanitation, Energy etc.)
  - d. Socio-Economic Resources
  - e. Safety & Security infrastructure. In order to conduct this assessment, the consultants shall assess the existing conditions of primarily civic and social infrastructure etc. for the area.
- ii. Infrastructure Gap Assessment with-in the Sector. The consultant needs to prepare a comprehensive checklist of the parameters that will be assessed while conducting infra gap assessment and get the consent from Government/concerned authority for conducting the same.
- iii. Current Carrying capacity assessment of the sector to absorb the current population (resident & floating) and physical development without considerable degradation to overall sustenance and a desired level of service.

#### 5.1.6 Future Demand Analysis

- i. Assess regional and location strengths and constraints of the site and analysing the attractiveness with respect to existing resources and development potential that would influence a successful development of the area.
- ii. Identify parameters that would influence attractiveness of the city and critical evaluation of the same to determine key drivers/projects for developing the Sector as model CBD.
- iii. Assess the future growth potential of the city and conduct projections for the next 30 years based upon logical and scientific methods covering demographic, and development projection (considering existing growth rate and induced growth rate by virtue of various future & planned interventions within the city and region around), economic Projections covering Residential, Health Care, Social, Commercial, Recreational, Hotels etc., projections for Developing/Augmenting Civic Infrastructure (Water, Sewerage, SWM, Transport, Power Supply and distribution, Energy etc)

- iv. Based on the above all information, consultant needs to prepare a GIS based base map for the sector.

## 5.2 Task2

**Vision, master plan and concept integrated infrastructure plan:** Basis the existing situation Analysis, demand Assessment and stakeholder consultations to understand the development potential, the consultant needs to prepare a development vision for the site. Special focus should also be given to the existing scenario by identifying Strengths, Weaknesses, Opportunities and Challenges (SWOC). Some of the aspects to be considered by the consultant while developing vision includes:

- i. Smart, Sustainable & Equitable development, sensitive to environmental settings
- ii. Retrofitting and redevelopment of the target area with state-of-the-art infrastructure facilities in the influence zone and its surrounding
- iii. The infrastructure facilities created should be inclusive of existing and future growth scenarios and are to be planned underground.
- iv. The planned area must have adequate facilities for pedestrians and NMT.
- v. Integrated development of facilities and connectivity for neighbourhood sectors.
- vi. Sustainable and passenger-friendly Urban Transport infrastructure and facilities

### 5.2.1 Preparation of draft master plan

- i. Consultant shall take up detailed conceptual plan. This will include the preparation of a master plan and layout plan for the proposed facilities and all the relevant planning standards to be adopted for the zoning of various facilities inside the site area.  
The consultant must map the project area with details of the existing land use/ownership status and superimpose revenue maps for establishment of these projects along with land area requirements.
- ii. The consultant has to prepare a master plan which should include a broad layout plan for development, proposed interventions, level of interventions required (related to engineering, Urban Design & planning, technologies & construction, land availability scenario (rehabilitation, resettlement & environmental issues etc). This will form the basis for taking the decision by the client to decide on the projects for which the detailed master plan and preliminary engineering designs need to be prepared.
- iii. As part of the master plan/layout plan, the consultant also need to prepare a concept-integrated infrastructure plan including roads, water & wastewater, power, ICT and solid waste management.

## 5.3 Task3

**Detailed master plan / layout plan and identification of projects:** The master plan and concept infrastructure plan will establish the broad setting and objectives for development. Based on the approval / comments on the master plan, the consultant will finalize the layout plan and then prepare the detailed master plan. The consultant will suggest the civic infrastructure

projects that need to be developed for catering to the current population (including floating) and the future growth projections. The projects shall include but not be limited to water supply; sewerage & sanitation; reuse of treated wastewater; storm water drainage, Water recycling & Reuse, solid waste management; rejuvenation and restoration of water bodies; power with a focus on generation/augmentation of power supply (possibility for renewable energies sources); disaster (flood) risk reduction projects (including flood management). The projects may be suggested as a combination of infrastructure augmentation & greenfield/ new infrastructure development for bringing efficiency in planning and financial resource optimization.

The consultant is to suggest the projects that need to be developed for augmenting transportation for improvement in accessibility perspective. Basis the existing city level transport condition and future growth, the consultant needs to identify potential projects that would help in augmenting the city level transport infrastructure (Parking, NMT, E-Vehicles, Smart Roads etc). While identifying the projects, due consideration would be given by the consultant on the City Mobility aspects and identify the projects that need to be developed both through PPP and through Government support to address the urban transport bottlenecks.

As part of the detailed master plan, the following will be the sub-tasks which will be part of the detailed master plan report (but not limited to):

- i. Detailed layout plan for the entire site
- ii. Detailing of each sub sections of the master plan / layout plan
- iii. Internal road alignment including locations for flyovers, FOBs and pedestrian cum public infrastructure
- iv. Social infrastructure plan and project listing
- v. Physical infrastructure layout and project listing
- vi. Urban Design guidelines for development
- vii. Landscape strategy and recommendations
- viii. Final list of proposed projects for trunk infrastructure, social infrastructure and key potential development projects

#### 5.4 Task4

**Preparation of preliminary engineering design of selected trunk infrastructure projects:** The previous stage submission will list down the comprehensive list of the projects under social infrastructure, physical infrastructure and potential development projects in the project area. Out of these, the physical infrastructure projects (trunk infrastructure project) will be taken up for preparation of preliminary engineering design which further be taken up for EPC contracts for its implementation by the client / authority. The broad list of infrastructure for which preliminary engineering design to be prepared is as below (but not limited to):

- i. Water and wastewater system
- ii. Drainage plan
- iii. Roads with underground services, junctions including locations for bridges, NMT & pedestrian infrastructure such as FOBs, skywalks etc.
- iv. Power distribution system
- v. ICT duct network
- vi. Landscaping and street furniture (Street side)

## 6 OF THE PROJECT

The duration of the assignment (from signing of the Agreement with selected Applicant) is as per timelines defined in Section 7. Any extension to these timelines would be at the discretion of the Authority. The Consultant must deploy the required manpower with support from the Consultant's office, whenever required, to comply with the Scope of Work.

## 7 DELIVERABLES AND PAYMENT SCHEDULE

Out of the total lumpsum fee quoted by the Consultant in its consolidated financial bid, the payments shall be made based on the following delivery schedule:

### 7.1 Delivery and payment schedule

S.no	Task	Activity wise deliverables	Timeframe in Months	Percentage of fee
1	Task 1	Kick off meeting and Inception Report	D+0.5	5%
2		Site Surveys and Site Assessment Report	D+2	10%
3	Task 2	Vision and Master Plan Report including Concept Integrated Infrastructure Plan Report	D+4	25%
4	Task 3	Detailed Master Plan Report	D+6	25%
5		Urban Design Guidelines & advisory report on optimal usage of Real Estate.	D+7	10%
6	Task 4	Engineering Design Report	D+9	25%

### 7.2 Notes

The Applicant shall quote a Lumpsum Fee in INR Lakhs for the Assignment. The fee quoted shall include all expenses relating to the Assignment including all applicable taxes, cess, duties etc. excluding GST which shall be payable extra as applicable.

7.2.1 The payment to the Consultant would be made based on the milestones identified in this section subject to satisfactory performance of work to be judged by the Authority. Note that payment for each milestone shall be post approval of each milestone / deliverable by the Authority.

7.2.2 The Consultant shall submit to the Authority an invoice for each payment milestone. Further, the Authority shall release the payment within 30 days of receipt of such invoice.

7.2.3 The Authority reserves the right to foreclose consultancy services at any stage and the Consultant shall be required to abide by the same. In such a case, the amount payable to the Consultant for the month in which the consultancy services are foreclosed will be calculated on a pro-rata basis (based on days passed in the month and the monthly fee for that month). No other amount will be paid for the remain term of the contract.

#### 7.2.4 Service level Agreements

SLA Objective: The selected bidder shall provide services as per SLA matrix mentioned.

SLA Matrix The bidder shall provide following support services as per SLA matrix given below”

#### Service Level Penalties

Sr. No	Service Parameters	Threshold Levels	Condition	Penalty
1	Adherence to the agreed implementation timelines	<b>14 days</b>	For the delay in the deliverable after <b>14 days</b>	20 thousand INR for every week delay after <b>14 days</b> up to 10% of the contract value

## 8 KEY PERSONNEL

The Master planner shall be required to provide required qualified personnel including experts in the relevant sector. The Consultancy team shall consist of at least the following key personnel (the “Key Personnel”).

S.no	Key Personnel	Education Qualification	Minimum professional Experience	Relevant Experience
1	Team leader	Graduation in Architecture and Post graduation in urban Planning / Urban Design	15 Years	15 years relevant experience in master planning of large cities, towns and urban areas with allied infrastructure. Knowledge of urban development policies and issues and exposure of working on development control regulations.
2	Infrastructure Planner	Graduation in Architecture/ engineering and Post graduation in Infrastructure Planning	12 Years	12 years of relevant experience in Urban infrastructure projects Experience in planning & designing integrated infrastructure projects (roads, water, wastewater, drainage, power, renewable energies etc).
3	Transport Planner	Graduation in Architecture / planning/ Civil/ Transport engineering and Post graduation in Transportation Planning	12 Years	12 years of experience in the area of Urban Transport Planning with focus on urban Mobility. Experience in designing and implementing NMT, parking projects and framing the associated planning & design guidelines, framing vehicular circulation plans etc.
4	Highway Engineer	Graduation in Civil /Transport Engineering and masters in Highway Engineering or equivalent	12 Years	12 years of experience in the area of Highway engineering with a focus on urban Mobility. Experience in traffic modeling, designing and implementing, urban roads, NMT, FOBs, parking projects and road safety initiatives..
5	Urban Designer	Graduation in Architecture Post graduation in Urban Design/ Architecture	12 years	12 Years of experience in City Scape and Street Scape Design. Experience in city planning and associated placemaking.

6	Infrastructure Engineer	Graduation in Engineering Post Graduation in Civil / Infrastructure engineering	12 Years	12 years' experience in urban infrastructure projects including dry and wet utilities
7	Water Expert	Post Graduation in Civil / Mechanical / Chemical / Water Resource Management	12 years	12 years' experience in water infrastructure projects including flood management, water supply, citywide water / sewage / drainage distribution network
8	Quantity Surveyor	Graduation in Civil Engineering	10 years	10 years' of experience as quantity surveyor for city development / urban infrastructure projects
9	Real Estate Expert	Post Graduation either MBA or M.Plan with specialization in housing or real estate management or market research.	10 years	10 years' experience in housing or real estate management or market research.
10	Landscape Designer	Post Graduation in Landscape Architecture/Planning/Designing	10 years	10 years' experience in Landscape Architecture/Planning/Designing

\* The consultant team can involve Multiple Engineers based on the prescribed qualification/expertise for the related field.

### 8.1 Availability of Key Personnel:

8.1.1 The Consultant shall make available the Team Leader and other Key Personnel to attend and participate in meetings, conferences and discussions with the Authority.

## Form 10: Format for Bank Guarantee

BG No.

Date:

1. In consideration of you, \_\_\_\_\_ (Name of Authority), having office at \_\_\_\_\_ [Authority's Address] (hereinafter referred to as the "Authority" which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) having agreed to receive the proposal of [Name of Consultant], having its registered office at [registered address of company], (hereinafter referred to as the "Bidder" which expression shall unless it be repugnant to the subject or context thereof include its successors and assigns), for appointment as Consultant for [name of assignment] (hereinafter referred to as the "Consultancy") pursuant to the RFP Document dated [date] issued in respect of the Consultancy and other related documents including without limitation the draft contract for consultancy services (hereinafter collectively referred to as "RFP Documents"), we [Name of the Bank] having our registered office at [registered address] and one of its branches at [branch address] (hereinafter referred to as the "Bank"), at the request of the Bidder, do hereby interms of relevant clause of the RFP Document, irrevocably, unconditionally and without reservation guarantee the due and faithful fulfilment and compliance of the terms and conditions of the RFP Document by the said Bidder and unconditionally and irrevocably undertake to pay forthwith to the Authority an amount of Rs. **[in figures] ([in words])** (hereinafter referred to as the "Guarantee") as our primary obligation without any demur, reservation, recourse, contest or protest and without reference to the Bidder if the Bidder shall fail to fulfil or comply with all or any of the terms and conditions contained in the said RFP Document.
2. Any such written demand made by the Authority stating that the Bidder is in default of the due and faithful fulfilment and compliance with the terms and conditions contained in the RFP Document shall be final, conclusive and binding on the Bank. We, the Bank, further agree that the Authority shall be the sole judge to decide as to whether the Bidder is in default of due and faithful fulfilment and compliance with the terms and conditions contained in the RFP Document, including without limitation, failure of the said Bidder to keep its Proposal valid during the validity period of the Proposal as set forth in the said RFP Document, and the decision of the Authority that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between the Authority and the Bidder or any dispute pending before any court, tribunal, arbitrator or any other authority.
3. We, the Bank, do hereby unconditionally undertake to pay the amounts due and payable under this Guarantee without any demur, reservation, recourse, contest or protest and without any reference to the Bidder or any other person and irrespective of whether the claim of the Authority is disputed by the Bidder or not, merely on the first demand from the Authority stating that the amount claimed is due to the Authority by reason of failure of the Bidder to fulfil and comply with the terms and conditions

contained in the RFP Document including without limitation, failure of the said Bidder to keep its Proposal valid during the validity period of the Proposal as set forth in the said RFP Document for any reason whatsoever. Any such demand made on the Bank shall be conclusive as regards amount due and payable by the Bank under this Guarantee.

However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs. [in figures] ([in words]).

4. This Guarantee shall be irrevocable and remain in full force for a period of 240 (two hundred and forty) days from the Proposal Due Date (PDD) and a further claim period of thirty (30) days or for such extended period as may be mutually agreed between the Authority and the Bidder, and agreed to by the Bank, and shall continue to be enforceable until all amounts under this Guarantee have been paid.
5. The Guarantee shall not be affected by any change in the constitution or winding up of the Bidder or the Bank or any absorption, merger or amalgamation of the Bidder or the Bank with any other person.
6. In order to give full effect to this Guarantee, the Authority shall be entitled to treat the Bank as the principal debtor. The Authority shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee from time to time to vary any of the terms and conditions contained in the said RFP Document or to extend time for submission of the Proposal or the Proposal validity period or the period for conveying of Letter of Acceptance to the Bidder or the period for fulfilment and compliance with all or any of the terms and conditions contained in the said RFP Document by the said Bidder or to postpone for any time and from time to time any of the powers exercisable by it against the said Bidder and either to enforce or forbear from enforcing any of the terms and conditions contained in the said RFP Document or these securities available to the Authority, and the Bank shall not be released from its liability under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the said Bidder or any other forbearance, act or omission on the part of the Authority or any indulgence by the Authority to the said Bidder or by any change in the constitution of the Authority or its absorption, merger or amalgamation with any other person or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have the effect of releasing the Bank from its such liability.
7. Any notice by way of request, demand or otherwise hereunder shall be sufficiently given or made if addressed to the Bank and sent by courier or by registered mail to the Bank at the address set forth herein.
8. We undertake to make the payment on receipt of your notice of claim on us addressed to [Name of bank along with branch address] and delivered at our above branch which shall be deemed to have been duly authorised to receive the said notice of claim.
9. It shall not be necessary for the Authority to proceed against the said Bidder before proceeding against the Bank and the guarantee herein contained shall be enforceable

against the Bank, notwithstanding any other security which the Authority may have obtained from the said Bidder or any other person and which shall, at the time when proceedings are taken against the Bank hereunder, be outstanding or unrealised.

10. We, the Bank, further undertake not to revoke this Guarantee during its currency except with the previous express consent of the Authority in writing.
11. The Bank declares that it has power to issue this Guarantee and discharge the obligations contemplated herein, the undersigned is duly authorised and has full power to execute this Guarantee for and on behalf of the Bank.
12. For the avoidance of doubt, the Bank's liability under this Guarantee shall be restricted to Rs. [in figures] ([in words]). The Bank shall be liable to pay the said amount or any part thereof only if the Authority serves a written claim on the Bank in accordance with paragraph 8 hereof, on or before [date].

Signed and Delivered by [name of bank]

## **13 GENERAL CONDITIONS**

### **1. COMPLIANCE WITH LAWS**

The Consultant shall take due care that all its documents comply with all relevant laws and statutory regulations and ordinances, guidelines in force which includes all laws in force and effect as of the date hereof and which may be promulgated or brought into force and effect hereinafter in India including judgments, decrees, injunctions, writs of or orders of any court of record, as may be in force and effect during the subsistence of this Agreement applicable to the Consultant.

### **2. GOVERNING LAW AND JURISDICTION**

This Agreement shall be governed by the laws of India. The Courts at Haryana shall have jurisdiction over all matters arising out of or relation to this Agreement.

### **3. DISPUTE RESOLUTION**

#### **3.1. Amicable Resolution**

Any dispute, difference or controversy of whatever nature between the Parties, howsoever arising under, out of or in relation to this Agreement (the "Dispute") shall in the first instance be attempted to be resolved amicably through discussions between the Parties.

#### **3.2. Arbitration**

##### **a. Procedure**

Any Dispute which is not resolved amicably within 30 days, the same shall be referred to a single arbitrator, appointed through mutual consultation of the Consultant and Government of Haryana. Such arbitration shall be governed by the Arbitration and Conciliation Act, 1996 ("Arbitration Act").

##### **b. Place of Arbitration**

The place of arbitration shall be Haryana.

##### **c. English Language**

The request for arbitration, the answer to the request, the terms of reference, any written submissions, any orders and awards shall be in English and, if oral hearings take place, English shall be the language to be used in the hearings.

##### **d. Enforcement of Award**

The Parties agree that the decision or award resulting from arbitration shall be final and binding upon the Parties and shall be enforceable in accordance with the provision of the Arbitration Act subject to the right of the aggrieved parties to secure relief from any higher forum.

e. **Performance during Dispute Resolution**

Pending the submission of and/or decision on a dispute and until the arbitral award is published; the Parties shall continue to perform their respective obligations under this Agreement, without prejudice to a final adjustment in accordance with such award.

4. **SEVERABILITY**

In the event that any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement will remain in full force and effect.

5. **WAIVER**

Waiver by either Party of any default by the other Party in the observance and performance of any provision or obligations under this Agreement:

- a. shall not operate or be construed as a waiver of any other or subsequent default thereof or of other provisions or obligations under this Agreement;
- b. shall not be effective unless it is in writing and executed by a duly authorised representative of such Party; and
- c. shall not affect the validity or enforceability of this Agreement in any manner.

Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation hereunder nor time or other indulgence granted by a Party to the other Party shall be treated or deemed as waiver/breach of any terms, conditions or provisions of this Agreement.

6. **MODIFICATION**

Modification of the terms and conditions of the Agreement, including any modification of the scope of the Services, may only be made by written agreement between the Parties.

7. **NOTICES**

Unless otherwise stated, notices to be given under this Agreement including but not limited to a notice of waiver of any term, breach of any term of this Agreement and termination of this Agreement, shall be in writing and shall be given by hand delivery, recognized courier, mail, telex or facsimile transmission and delivered or transmitted to the Parties at their respective addresses mentioned herein above.

8. **TRANSFER OR ASSIGNMENT**

No Party may assign its interests in the Agreement without the prior written consent of the other Party. Unless specifically stated to the contrary, in any written consent to an assignment, no assignment shall release or discharge the assignor from any obligation under this Agreement.

9. **VARIATIONS**

Government of Haryana may, by written notice to the Consultant, require the Consultant to vary the scope, sequence or timing of the Services with suitable compensation for such variation, any such variation to be discussed and agreed mutually in writing.

10. **CONFLICT OF INTEREST**

Notwithstanding Schedule 5, consistent with the Consultant's confidentiality obligations to its other clients, the Consultant is not able to advise or consult with HSVP about the Consultant's serving the Client's competitors or other parties. The Consultant's obligations in relation to conflict of interest will be limited to the personnel level, it will ensure that the Key Personnel outlined in Schedule 3 do not have an actual or perceived conflict of interest associated with providing the Services and will notify in writing to the extent there is potential for any actual or perceived conflict of interest associated with the Key Personnel.

11. **TERMINATION OF CONTRACT**

The Master planner's contract with the Authority will terminate in case of following conditions:

- a. The term of Contract expires.
- b. Performance of the Master planner is below expected level.
- c. Non-adherence to the timelines of the project.
- d. Quality of work is not satisfactory and not acceptable.
- e. Or any other reason because of which project is curtailed

For points (b), (c) and (d) and (e) above, the Authority reserves the right to foreclose consultancy services at any stage and the Master planner shall be required to abide by the same. In such a case, the amount payable to the Master planner will be estimated by the Authority, on a pro-rata basis, based on the stage of the project foreclosure and the work done by the Master planner as against the deliverables and payment schedule mentioned as per Section 7 above. The Authority's view in this matter shall be final. No other amount will be paid for the remaining term of the contract.

Additionally, the Authority may at any time terminate the Contract by giving written notice to the Master planner, if the Master planner becomes bankrupt or otherwise insolvent or in case of dissolution of company or winding up of company. In this event termination will be without compensation to the Master planner, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Authority.

12. **FORCEMAJEURE**

12.1. **Definition**

- a. For the purposes of this Contract, "ForceMajeure" means an event which is beyond the reasonable control of a Party, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, Covid 19 like diseases, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by government agencies.
- b. Force Majeure shall not include (i) any event which is caused by the negligence or intentional action of a Party or such Party's Subconsultants or agents or employees, nor (ii) any event which a diligent Party could reasonably have been expected to both (A) take into account at the time of the conclusion of this Contract and (B) avoid or overcome in the carrying out of its obligations hereunder.
- c. Force Majeure shall not include insufficiency of funds or failure to make any payment required
- d. Party/Parties here refer to the Authority and the Master planner/Consultant
- e. Contract shall refer to the contract to be entered between the Parties based on the scope of work outlined in this RFP

12.2. **No Breach of Contract**

The failure of a Party to fulfil any of its obligations as per this RFP (or Contract to be entered into between the Parties) shall not be considered to be a breach of, or default under, the Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

12.3. **Measures to be taken**

- a. A party affected by an event of Force Majeure shall take all reasonable measures to remove such Party's inability to fulfil its obligations hereunder with a minimum of delay.
- b. A party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any event not later than fourteen (14) days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.
- c. The Parties shall take all reasonable measures to minimize the consequences of

any event of Force Majeure.

**12.4. Extension of time**

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

**12.5. Payments**

During the period of their inability to perform the activities as per the scope of work herein, as a result of an event of Force Majeure, the Consultants shall be entitled to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of their obligation under this RFP and in reactivating the services as per the scope of work herein after the end of such period.

**12.6. Consultation**

Not later than thirty (30) days after the Consultant, as the result of an event of Force Majeure, have become unable to perform a material portion of the scope of work outlined herein, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.
