No. HUDA-CCF-AO-I/Acctt-I-2018/ 5707

Dated: 9/11/18

Subject: Rates to be charged to provide approach road (Rasta) to the pockets of released land.

1. References are received where approach road (Rasta) is to be provided to the released pockets. Though, there is a policy that HUDA shall provide Rasta with width upto maximum of 2 karam (11 feet) in those cases where existing revenue Rasta has been acquired by HUDA and no approach is available to the released pocket., but there is no existing policy about what price should be charged for land to be now used for "Rasta" from the owner of released pockets.
2. Therefore, the policy needs to be framed as to what price should be charged where a "Rasta" is being provided to the owner of released pocket of land.
3. It is clarified that land for such proposed Rasta shall be provided free of cost. However, any cost of construction of Rasta as determined by the HUDA Engineering Wing shall chargeable.
4. If the owner of released pocket requests for Rasta in excess of 2 karam (11 feet) width, then 1.5 times of the differential land (required for Rasta in excess of 2 karam width) shall be taken by HUDA in lieu of its land required for
