He/ She/They shall be given a further period of two months to vacate the old premises and shift to the new premises. No further extension shall be allowed thereafter under any circumstances.
5. 6. The regular allotment will be made on through auction at the reserve price as fixed by the Authority. The enhancement in compensation, if any, awarded by the Court (s) in future shall, however, be payable extra.

The resultant resumption of the plot in such cases shall be done by the concerned Estate Officer by giving a show cause notice in this behalf. No compensation for constructed building or structure raised on the plot by the allottee or any other person on his behalf shall be paid except the amount paid by the allottee as cost of land to HSVP after making 10% deduction . No interest shall be payable on the amount paid by such allottee in this behalf.
10. The allotment shall be governed by the relevant provisions of HSVP act, 1977, rules and regulations framed there under, except the specific provisions enumerated above which form an integral part of this policy.

2. The Commercial sites and other connected sites like SCO, Tea Shops Dhabas and Body Building Sites etc. in these specialized sectors shall be disposed off only through open auction.
3. The specific site number shall be allotted only through limited e-auction.

He/ She/They shall be given a further period of two months to vacate the old premises and shift to the new premises. No further extension shall be allowed thereafter under any circumstances.
5. Regular letter of allotment will be issued to the applicant only after he has obtained the completion certificate for the allotted site & discontinued the old trade or business from the old site, failing which the new allotted site alongwith all structures raised thereon by the allottee shall automatically revert to HSVP
6. The regular allotment will be made on through auction at the reserve price as fixed by the Authority. The enhancement in compensation, if any, awarded by the Court (s) in future shall, however, be payable extra.
7. Besides making allotment through an allotment letter, the Estate Officer shall enter into an agreement with the allottee so that the allottee is contractually bound by the provisions of this policy.

The resultant resumption of the plot in such cases shall be done by the concerned Estate Officer by giving a show cause notice in this behalf. No compensation for constructed building or structure raised on the plot by the allottee or any other person on his behalf shall be paid except the amount paid by the allottee as cost of land to HSVP after making 10% deduction . No interest shall be payable on the amount paid by such allottee in this behalf.
10. The allotment shall be governed by the relevant provisions of HSVP act, 1977, rules and regulations framed there under, except the specific provisions enumerated above which form an integral part of this policy.
